Dear Sailability Member

For many years Sailability and Farnham & District Sports Association for the Disabled, now named Farnham Swimability, has had a close working relationship. Sailability members in the past automatically paid £5.00 for membership of our Association.

This arrangement no longer exists but we still offer membership for £5.00 per annum and this entitles you to have access to our supervised swimming and exercise at Farnham Leisure Centre with disabled access into the pool either by graduated steps or a hoist on a Saturday morning.

Why not join us for a swim in the winter months to get fit ready for the sailing season.

We are a very social group with a summer outing and an Annual Lunch and other activities.

You will be made most welcome if you would like to join us and it is likely that you will know some of our members as many of our helpers also assist at Sailability.

Enclosed are an application form and a copy of our information brochure.

Kind regards

Jenny Taylor
